

IAHA General Meeting

December 4, 2005

The meeting was called to order by vice president John Horn at 3:00 PM. Social chair Betty Plude had some announcements before the start of the meeting, including a list of groups to which new community members could belong if they should choose, a listing of the block heralds, a recognition of the fact that it was neighbor Harry Malette's 65th birthday, and the announcing of the raffle winner (the quilt was won by Vici Upton). Dennis Krummel followed that with an announcement about their New Years Eve party to be held in their hangar. There was also a short self-introduction of new residents that had moved in since the beginning of 2005, along with a reminder that Jim & Betty Anglin need to have their names & addresses for the upcoming 2006 roster. The AOPA were thanked for the use of their chairs and tables, and Betty Plude was thanked for providing the table decorations.

MEETING: The current board members stood up and introduced themselves, after which John Horn asked for approval of the minutes of the previous meeting. Phyllis Upright moved that the minutes be approved, and all approved. Treasurer John McCoy was not present, so John Horn read his report which included a reminder that homeowner dues were now due and payable. Architectural chair Greg Smith was also unable to attend, so John Horn read his report which was an overview of the 12 meetings that the committee had and the projects which were reviewed and approved. There are no projects pending at this time. Craig Cowles stood up and gave a brief maintenance report, which included a projection of future work involving the asphalt and what kind of reserves are truly necessary to have on-hand for this work. Members-at-large Phyllis Upright and Dennis Widby had nothing to report. There was no old business.

NEW BUSINESS: John Horn listed the people who were on the ballot: Himself for President, Dave Martin and Dennis Widby for Vice President, Robert English for Secretary (unopposed), John McCoy for Treasurer (unopposed), Craig Cowles for Maintenance (unopposed), Jim Anglin and Jim Kirkendall for Architectural Chair, and for Director-At-Large Katie Altman, Gail Hill, Jake Thiessen, and Alan Wright. His announcement was greeted warmly. There were also profuse thanks to the Krummels for providing the hangar space for this meeting.
