President's Report

- 2019 Association Ballot preparation.
- How does the Board wish to address an increasing number of resident concerns being raised by neighbors requesting that the Board “do something” about enforcing existing CC&R requirements (including neighborly personal relationships), as well as City Code requirements and how the taxiways are to be managed with respect to individual use ?

For perspective, last year similar issues were included on the agenda:

- Managing pets and related sanitary concerns; related City ordinances;
- Use of Taxiways per CC&R and ODA Access Agreement requirements;
- Maintenance/use of individual residential properties, including City Ordinance issues.

Other Board member reports and/or comments for the Good of the Order

- Any updates on the 7S5 Master Plan ??
